

BRIMSCOMBE & THRUPP PARISH COUNCIL

IMPORTANT DATE FOR **YOUR DIARY!**

25th January 2012 at 7.30pm

At Brimscombe & Thrupp Social Centre

The Parish Council invites you to a session about the development of the Port. The developers will have presented their tender replies before this meeting. The Parish have an input to the selection of the developer and seek to reinforce the wishes of those living local to the Port, just what they wish to see as a final development. This will be your last chance to have any influence over the developer.

In addition there is a new social centre to be built as part of the works. A group consisting of Parish Councillors, Trustees of the B&T Social Centre and others with specific talents have started the ball rolling with a business strategy and heads of terms.

We need your input on this. Please come along and support!
